

Office of the President
Greetings from the Urban Mission Field,
Dear NYSUM Guests,

Some of guests have called my office, asking about the coronavirus here in NYC. I'm happy to report that the NYSUM Campus is FREE, from the coronavirus! However, we are actively monitoring the coronavirus very closely.

That said, we have taken PROACTIVE MEASURES to ensure that our Staff and Guests remain safe, providing a healthy campus environment. We have deployed our Housekeeping & Maintenance Staff, beyond the regular day to day cleaning, to add extra steps in the cleaning process our ministry campus such as, but not limited to: dormitory rooms, doors, door knobs, chairs, showers, elevators, light switches, vans, etc.

We also have added 36 HAND SANITIZING STATIONS throughout our campus facility, to add an extra layer of protection for you, our valued ministry partners.

For groups involved in street ministry, we will only send your group to ministries that are NOT affected with the coronavirus. Thank you for your compassionate understanding and should you have any questions or concerns, feel free to email us at: info@nysum.org. Or call our Director of Ministry Services @ 718-204-6471.

Yours for compassionate leadership

Pastor Peter M. DeArruda
