Office of the President

NYSUM'S Response to COVID-19

Dear NYSUM Partners,

Greetings from the Front Lines of NYC!

As you know, the Government has mandated that all businesses curtail operations during the coronavirus outbreak in NYC. NYSUM is complying with this mandate. These are unprecedented times we are living but we know that "Greater is HE that is in us than he that is in the world".

With that said, our office staff are working from home remotely. However, since some of our office staff live on the NYSUM campus, they are fielding calls and are serving to assist you in any way possible with updates on our Short Term Mission Trip Packages. Also, some of our maintenance and food service staff live on the NYSUM campus as well and are serving our present needs. We continue to receive mail and package services.

Please Note: NYSUM'S New Office Hours until further notice

- **Lobby Reception Hours**
- **M – F: 9am – 5pm**
- **Sat: Closed**

For Assistance or Prayer, Please Call

- **NYSUM Office: 718-204-6471**

Although these are challenging times, we hold to GOD'S PROMISE, "God has not given us the Spirit of fear but of Power, Love and a Sound Mind "I Tim. 1:7.

In closing, please know that Darleen and I along with the NYSUM Staff are praying for you and your families' safety.

Yours for compassionate leadership,

Pastor Peter & Darleen DeArruda

NYSUM President

P. S. If you would like to make a donation and help NYSUM during COVID-19, please go online at: www.nysumdonate.org. All gifts are tax deductible and you will receive a receipt for your compassionate donation.
