Dear Formal Name,

It's hard to believe. It's almost apocalyptic. The city that NEVER SLEEPS remains SHUT DOWN.

From Midtown to downtown, in schools, restaurants, hotels and everything in between are signs posted on their windows, CLOSED!

As you've heard, NYC is the epicenter of the coronavirus. The death toll now tops over 16,000 and unemployment over 850,000.

As Forbes Magazine's writes: "Employers are in distress. Employees are in distress. The economy is in distress. Americans are in distress." Others live in fear, anxiety and PTS just thinking about having to return to the workplace, and possibly contracting the coronavirus.

The New Normal is upon us - - wearing face masks, latex gloves, and social distancing. The world we once knew two months ago has totally changed our lives forever.

Darleen and I along with our staff want you to know that we've been praying for you during this very difficult season as we're all being stretched to the limit by this global pandemic.

However, what better time - - what better season - - to bring God's HOPE and HEALING to thousands of New Yorkers, that are suffering from the loss of family, loss of jobs and loss of economic security.

That's why I'm writing you today. NYSUM is LAUNCHING a new compassion outreach we call, COVID-19 RECOVERY!

Once the government allows us to reopen the NYSUM Campus, we will begin training our teams for this Special Ministry Outreach, COVID-19 RECOVERY.

Teams will be deployed throughout all boroughs of the city to serve NYC Pastors and Churches in practical compassion evangelism at the "grass roots".

But in order to do this, Darleen and I need your help today!

This is just the beginning as the ROAD TO RECOVERY WILL BE A LONG TERM EFFORT as NYC has been hit the hardest in our nation.

If you are a Pastor, Chaplain, Church Member, Mental Health Professional or Counselor, then NYSUM is your gateway to reach thousands of people that are in dire need of the Gospel! Sign up today and bring a team for NYSUM's COVID-19 RECOVERY OUTREACH at: nysum.org
