

ONE MORE DRINK... THEN SHE WAS DONE!

Peter & Darleen DeArruda,
NYSUM President & Directors

May 1st, 2026

It was a brick Saturday morning when a team of 19 "Fired Up" women from CT and upstate NY headed to the South Bronx to reach hundreds of battered women with God's Compassion!

Our team partnered with, Church Without Walls for NYSUM'S Annual Extreme Makeover Outreach Weekend.

Simply stated, these women were "Passionate" - - ready to spend their day, "BLESSING" hundreds of battered women in a nearby city shelter with brand new clothes, shoes, purses, pedicures, manicures, and makeup - - "whatever it Takes" to help bring "Hope and Healing" to the broken hearted.

Extreme Makeover Outreach Weekend is more than just a "Hand Out" but a "Hand Up" - - demonstrating God's unconditional love to women who are in "CRISIS".

Soon after setting up each "Makeover Station", our team encountered a woman named (Keisha). She confessed that she had been so depressed, she was thinking about drinking herself to death by the end of the day.

But thank God, a NYSUM team member was standing outside, inviting women from the streets to join us for a day of care and compassion.

And that's when (Keisha's) life was about to change, but she didn't even know it yet.

At first, (Keisha's) demeanor was hesitant and very standoffish. However, when she saw how "Kind and Welcoming" our team was, she decided to come inside.

(Right) Youth Pastor LD from Green Valley Baptist Church, MS prays God's care and compassion Over a young person who just received a HOT MEAL from our Mobile Food Truck.

While receiving a whole facial makeover, (Keisha) began to open up to the woman (over please)

serving her. She shared how depressed and alone she felt. She admitted she had gotten drunk because she planned to harm herself that day.

As (Keisha) said, "One More Drink . . . Then I Was Done"

But God stepped in. and her "walls of resistance" slowly began to crumble.

Keisha) soon became overwhelmed with emotion and deep gratitude for the women who invited her in. Not judging her for being homeless but loving her in her beaten down and a confused state.

By the end of the day, (Keisha's) life was not the same. After receiving a day of unconditional love, brand new clothes and personal prayer, the joy of the Lord filled her heart and Jesus totally Transformed her life by the end of the day.

We'll deploy over 100 Christian women who are coming to NYSUM from Across America who are eager to be "Trained and Deployed" to reach hundreds of battered women just like (Keisha).

Each woman will receive a facial makeover, 1 gift bag, filled with cosmetic make up, hygiene kits, Gospel Literature, a full course lunch and one-on-one personal ministry.
